Identifying Canadian Money

This course teaches Learners about Canadian currency and how they use it in their everyday lives.

In this course, Learner will learn how to:

- count money, including coins and bills
- begin to manage day-to-day finances
- identify Canadian currency and its worth using the symbols and images displayed on each bill and coin
- use numeracy skills to help them count and keep track of money, to help prepare for employment that requires money-handling skills

OALCF Alignment

Competency	Task Group	Level
