ACE Distance – Resource #4

### Curriculum Resource

#### Communications Support: Fact Versus Opinion

This module is the fourth of seven in the “Communications Support” series. It explains the importance of distinguishing fact from opinion in both academic and everyday sources. This is an important critical thinking skill for learners (especially in our current world of “fake news”) because it allows them to evaluate and form their own opinions about various topics.

### OALCF Alignment

Competency	Task Group	Level
Competency A - Find and Use Information	A1. Read continuous text	2
