e-Channel Organization

ACE Distance – Resource #7

Curriculum Resource

Text Structure

This module is the last of seven in the "Communications Support" series. It explains how to use the structure (organization) of the text to help make sense of the material. This strategy applies to expository texts (nonfiction or informational e.g. from a history book or science journal). Learners will be able to practice using text structure to improve their reading comprehension by analyzing the organization and structure of various readings in this module.

OALCF Alignment

Competency	Task Group	Level
